SCHOOL BOARD OFFICE,
SHIMOGA.
Dated 11/12th January 1933.

From

The School Board Officer,
Shimoga.

To

The Secretary,
Central Recruitment Board,
Bangalore.

Sir,

I have the honour to bring to your kind notice that it has come to the knowledge of the undersigned that several C.R.B. candidates who have passed only in Theory Portion of the Upper Secondary Training Examination or the Lower Secondary Training Examination (without a Pass in the Practical Portion too, to entitle them for the final certificate) often put in U.S.T. or L.S.T. as their qualifications in the C.R.B. applications most probably with the object of making the appointing officer believe that the candidates are trained ones and as such are to be given preference as per C.R.B. rules.

This I have found out on instructing the selected candidates first to show the Pass certificates and then get the necessary endorsement on the appointment order before actually joining duty.

To avoid unnecessary correspondence (appointing, cancelling and selecting the next and so on), I request you kindly to publish in the Gazette for the information and guidance of all candidates in future that candidates who have passed both Theory and Practical have to state L.S.T. complete or U.S.T. complete, in the C.R.B. applications and that those who have passed only Theory have to state L.S.T. Theory or U.S.T. Theory in the C.R.B. applications, and that disciplinary action will be taken against those who put in misleading or false qualifications.

I have the honour to be,
Sir,
Your most obedient servant,
H Suryanarayanachar

As this is misleading, it is hereby notified that in future those who have passed both the Theory and the Practical portions of the said examinations should note their qualification as "L. S. T. Complete" or "U. S. T. Complete" while those who have passed only in Theory, as "L. S. T. Theory" or "U. S. T. Theory," in their applications.

By Order,
